

Project title: Self Sustainable Multisensor System for Monitoring Water Quality in Inland Waterbodies

Project acronym: SMARTWATER

MULTIPARAMETER SONDE SUPPLY

01-3789

CLARIFICATION 2.

QUESTION:

Dear sirs, regarding yoUr Publac tender specification we would like to ask if you woutd consider prolonging the delivery time from 49 days to 90 days ?

ANSWER:

Dear Sir, regarding you question about clarification of tender documentation, publication reference 01-3789. we would like to inform you that our project activities are already defined with time limits so we have to start field work in february, so prolonging delivery time as you asked is not optional.
